## Meet the Experts Conference, and Practice Management Conference Japan, Dec '10 - Jan '11

After a very successful conference in Niseko last January, the **Meet the Experts Conference** will be held again at the Hotel Kanronomori, at Niseko in Hokkaido, from 4-12 Jan 2011. The format will be the same as last year, with the conference being run in morning and afternoon and time for networking and guided skiing in the middle part of the day. Last year's conference included topics such as "How I use my camera in Clinical Practice", "Our eyes in Old age", "Hand Hygiene" and "Food Allergies in Children". All levels of skiing (and non-skiing) catered for.

The Niseko Conference will be preceded by a smaller **Practice Management Conference** in Tokyo, 30 Dec 2010 to 4 Jan 2011 at the Shiba Park Hotel.
