9th Meet the Experts Conference

Wed 3rd Jan - Wed 10th Jan 2018, Sun Peaks, Canada

INFORMATION

The popular Meet the Experts Conference provides the unique opportunity to meet experts in various fields of medicine, learn about the latest trends and techniques, and be able to relax with colleagues, with ample time for networking, and for questions and discussion. The conference venue is The Sun Peaks Grand Hotel, at Sun Peaks British Columbia. This hotel has a heated outdoor pool and ski-in ski-out facilities. Sun Peaks is about 45 minutes drive from Kamloops airport and 4.5 hours from Vancouver, by road.

Delegates attending the Practice Management Conference in Vancouver, will travel together in a private charter coach to Sun Peaks. Sun Peaks is the second largest ski resort in Canada, but at this time of year, it has the best snow, and no queues. The conference will be beneficial for all medical practitioners as well as practice staff. All levels are catered for from absolute novices to Olympic champions. We will organise ski instructors and guides for our first three days of skiing. Snowboarding instructors will be arranged, if there are enough snowboarders to make a group.
