

Book Now! 10th Meet the Experts Conference

This year's **MTE Conference** will be held in **Hakuba, Japan**. It follows the Practice Management Conference, which will be held in Beijing and Harbin. It is a great opportunity to hear about the latest management and controversies affecting medical practice. It will be relevant for all doctors. Members can attend either conference, or both. This conference is always fun. Beginners and experts alike, will enjoy it. Newcomers and novices especially welcome.
