

This year's **Practice Management Conference** will be held in **Beijing and Harbin**. We have enough participants and it will definitely be going ahead. This is a great opportunity to hear about management issues affecting how you practice medicine. It will be followed by the 10<sup>th</sup> Meet the Experts Conference, in Hakuba, Japan. Members can attend either conference, or both. Beijing will be cold, but this gives the advantage of no crowds of tourists and no queues. Wear an extra layer and enjoy the warmth of this cosmopolitan world city. Harbin will be colder. Wear gloves, scarves, and your coat, and enjoy the ice sculptures from the warmth of the heated coach. This festival is a once-in-a-lifetime experience.
