Interviewee | A/Prof Stephen Li

Stephen's passion is to serve the community and so he has been the Chair of ACMA Community Health since 1998. He had served many other portfolios in the Management Committee which included President, Senior Vice President, Vice President and Treasurer. Stephen is a trained pathologist who is the Director of Core Pathology and Clinical Chemistry Services of NSW Health Pathology Western Sector. He is also subspecialised in clinical lipidology and is the Director of Westmead Hospital Lipid Clinic. He has co-founded the Familial Hypercholesterolaemia Clinical Support Service NSW (Winner of 2005 NSW Premier's Gold Award).

Interviewer | Dr Tony Chu

Tony is a Creative Doctor and currently Chairs SMIC (Social Media, Innovation & Creativity) Subcommittee.

Would you like to be interviewed next? Email: office@acma.org.au

With covid restrictions still impacting on ACMA's usual activities, we're keen to continue our friendly **ACMA Zoom Chat**, where we discover interesting medical life experiences (and maybe share a joke or two)!

Next Zoom Chat | **Tues 5 October at 7.30pm**

*Members, we have sent the Zoom details to your email. If you don't get it, please contact Tony Chu (creative@acma.org.au)

*For non-Members, please join ACMA!
